Dear Sirs

Re: Sealmaster Black Glazing Tape

*Sealmaster Black Glazing Tape is a non-ceramic fibre glazing tape product that is suitable for use in all fire resistant glazing applications when any of the following generic fibre based glazing tape products are stated as suitable for use throughout the Warrington Certifire Approval system ie. non-ceramic fibre tape, ceramic fibre tape, fiberfrax tape **or mineral fibre tape.***

Sealmaster Black Glazing Tape is simply the product name given to the Sealmaster version of this generic type of fibre based glazing tape product.

Yours Sincerely

*Andy Kearns
