AMALFI ONE FUNCTION

SHOWER HANDSET

EASY TO CLEAN

This shower handset features rub clean nozzles which are easy to unblock helping to keep limescale build up to a minimum. To clean, simply rub the surface of the shower handset gently in a clockwise direction with your thumb to break away any hard water deposits which could affect the showers performance.

EASY TO INSTALL

1. Unscrew your exsisting shower handset from the shower hose and discard along with the old washer.
2. Clean the threads on the shower hose.
3. Position the washers supplied in the connectors on your shower hose and attach it to your shower handset. Do not over-tighten, finger tight only.
4. To retain the best quality finish, clean product regularly with a soft damp cloth. Do not use abrasive or chemical cleaners, as these may damage the product.

GENERAL SAFETY ADVICE

- For safety and convenience do not use with water above 65°C or with excessively high water pressure (max 50psi/3.5 bar.)
- To avoid the risk of scalding you should always check the water temperature before entering the shower.
- Always take care when using hot water, especially with children and NEVER leave a child unattended in the bathroom.
